Biel's Information Technology Systems will hold their First Annual Community Events Kick-Off Fair.

West Seneca, New York (March, 2007) Biel's Information Technology Systems is holding their First Annual Community Events Kick-Off Fair on Friday, April 20th from 11:30am to 12:30pm. This will be a festive party to get employees excited and motivated to make a difference in the community by participating and signing up for all company sponsored charity events. Representatives from the selected charities will be on display offering information and urging all to participate. A catered lunch will be provided as well as opportunities to win prizes with a group Scavenger Hunt and Raffles. The organizations attending include the following:

- ❑ Jen Hickok representing the JDRF Walk
- ❑ Eileen & John Ward representing the Lisa's Legacy Run/Walk
- ❑ Jennifer Yates representing the United Way Day of Caring
- ❑ Joann Ziemann representing the Making Strides Breast Cancer Walk
- ❑ Pat Scott representing the Warm The Children campaign & basket raffle

Since 1939, Biel's Information Technology Systems has been a fixture in the community. They are the local leader and innovator of Document Management solutions using digital paper scanning and microfilm technology to enhance company productivity. They service many major companies and government institutions in Buffalo, Rochester, Syracuse and throughout New York State and northwestern Pennsylvania.
