***“Biel’s Information Technology Systems met with North America’s largest consortium of Independently Owned Document Management Companies in Carefree Arizona”***

**Phoenix, AZ – Dec 01, 2009** – “North America’s largest consortium of Independently Owned Document Management Companies had their last meeting for 2009” The Independent Information Management Dealers Association (IIMDA) Fall meeting was held in Carefree, Arizona. Since December 1989 or 20 years this association has been meeting twice a year to discuss relevant issues and resolutions for our industry.

*“I wanted to express a very sincere thank you to all of our members that attended our fall meeting. I also want to thank the IIMDA Board and our Executive Director for all of their help to create a great venue and outstanding content for our membership. We are looking forward to our board meeting in February and our spring meeting for 2010.” Ron Thompson Jr. - President of IIMDA.*

Other comments from our Members:

*“The topics were relevant, the camaraderie was genuine and the information was timely”*

*“Just wanted to send a sincere thank you for all the work you did in putting together an informative and entertaining meeting in a wonderful part of the US..... the presentation on Monday was first class”*

[Biel’s Information Technology Systems](#) is proud to be an active member of the IIMDA group and we are looking forward to the Spring 2010 meeting. We also value the relationships we have formed over the last 15 years with other members of this organization. This allows us to share information and gather feedback on ideas relating to our industry.

**Independent Information Management Dealers Association (IIMDA)**

Founded in 1984, IIMDA is a group of over 20 member-companies throughout the United States and Canada. IIMDA is the oldest and largest dealer group dedicated to document management and its surrounding scanning, micrographic and data management technologies. The independent nature of IIMDA members allows them to determine the best solutions for each client’s needs, regardless of the source of the solution. Locally owned and operated, IIMDA dealers bring an unbiased assessment of technology and services to their clients.
